THE OHIO STATE UNIVERSITY
CENTER FOR COGNITIVE AND BRAIN SCIENCES

Summer Graduate Research Award (GRA)
2022 Application

Application Deadline: March 4, 2022, 5:00 PM EST

SECTION 1: AWARD INFORMATION

The Center for Cognitive and Brain Sciences (CCBS), together with participating faculty and departments, is holding its annual competition for the Summer Graduate Research Awards (GRA). Each GRA recipient will be awarded in the amount of $5,760 for Summer 2022 (May 10, 2022 - August 15,2022).

SECTION 2: APPLICANT ELIGIBILITY AND CONTEST RULES

Applicant Eligibility

Applicants must be matriculated graduate students at The Ohio State University working with faculty who are members of the Center for Cognitive and Brain Sciences (CCBS). Former recipients of GRAs are eligible, but priority will be given to new applicants. Applicants who are not members of the Center must be nominated by their home department advisor to become a member of the CCBS. IMPORTANT: Any student who already has a Summer 2022 graduate appointment or fellowship is not eligible to apply. Additionally, CCBS awards cannot be deferred to any other session or year.

Please email the application materials listed below to ccbs@osu.edu by March 4, 2022.

- ☐ Completed Application Form (page 2)
- ☐ Resume or Curriculum Vitae
- ☐ Verification of student enrollment in research hours with their home department
- ☐ 2-page proposal of your interdisciplinary research project. The proposal should have specific, focused goals, and discuss the interdisciplinary nature and benefits of the project. The proposal will be evaluated by faculty outside of the applicant's area.
- ☐ Description of all summer commitments outside of the proposed GRA work, including credits enrolled, internships, and/or volunteer positions. Include how many hours per week you will spend on each commitment.

Project Guidelines

Proposed projects will be interdisciplinary and relevant to the Center for Cognitive and Brain Sciences. The applicant's proposed project is to involve a member of the Center for Cognitive and Brain Sciences who is outside of the applicant's home department, known as the "visiting department advisor."

Stipend

Up to six recipients will receive a stipend of $1,920 per month for 5/10/22-8/15/22, for a total of $5,760.

Fees and Tuition

As condition of acceptance, recipients are required to be enrolled in the minimum number of summer research hours with their home department advisor. IMPORTANT: Tuition and fees must be paid by the home department.

Award Processing

CCBS will initiate the internal processing of the stipend, and tuition and fees, through Workday. Students will get a workday notification once they are ready. CCBS will also utilize the home department's provided Worktags to make sure tuition is charged accordingly. The student will need to be enrolled in research hours with their home department advisor. The student's completed application, signed by the student's home department Chair, serves as authorization for CCBS to use the home department's Worktags to pay for the tuition and fees. The CCBS award stipend will be processed and paid by CCBS.

Award Agreement

Recipients will be notified of the award by email, with copies to their advisors. Recipients will be required to present their findings to the Center for Cognitive and Brain Sciences as either a talk or poster at the CCBS 2022 Annual Member Fall Retreat. Recipients are also expected to facilitate one 3-hour workshop, at the direction of the CCBS Director, at the CCBS Undergraduate Summer Institute (CUSI will be held as 8 sessions spanning June-July 2022, 10:30am-1:15pm). All recipients are to credit the Center for Cognitive and Brain Sciences for support on follow up papers and projects related to the funded project.

Thank you for your interest in CCBS Summer Graduate Research Awards!

Summer Graduate Research Award (GRA)
2022 Application

Application Deadline: March 4, 2022, 5:00 PM EST

SECTION 1: APPLICANT INFORMATION

Please review applicant eligibility & rules sheet (page 1) before completing this form.

Name (First & Last)

Email (name.#@osu.edu)

Street Address

City / State / ZIP

Pronouns

Major

Expected Graduation Date

Research Project Title

SECTION 2: HOME DEPARTMENT AND FISCAL INFORMATION

Applicant's Home Dept

Advisor's Email

Advisor's Name (Print)

Advisor's Signature

Date

Home Department Advisor Acknowledgment: I will support this student academically during Summer 2022 on this project. I also agree to nominate the student as a <u>member</u> of the Center for Cognitive and Brain Sciences if the student is not currently a member of the Center. I confirm that the applicant can commit an average of 20 hours per week to this project throughout the duration of the appointment period.

Fiscal Officer's Name

Fiscal Officer's Email

Cost Center	Balancing Unit	Fund	Gift	Grant	Program	Project	Additional

Home Department Worktags for tuition and fees are required.

Dept Chair Name (Print)

Dept Chair Signature

Date

Home Department Chair Acknowledgment: I understand that recipients are required to be enrolled in the minimum research credit hours for summer and I acknowledge that all tuition and fees will be paid for by my department.

SECTION 3: VISITING DEPARTMENT INFORMATION

Visiting Dept

Advisor's Email

Advisor's Name (Print)

Advisor's Signature

Date

Visiting Department Advisor Acknowledgment: I will support this student academically on this project during Summer 2022.

SECTION 4: APPLICANT ACKNOWLEDGMENT

Applicant Acknowledgement: By signing below, I agree to acknowledge the support of the Center for Cognitive and Brain Sciences in resulting publications and I will present my findings to CCBS at the annual Member Fall Retreat and will facilitate one 3-hour workshop at CUSI (CUSI will be held as 8 sessions spanning June-July 2022, 10:30am-1:15pm).
