SECTION 2: INFORMATION FOR FACULTY SUPERVISORS/ RESEARCH ADVISORS

The student listed above seeks to join the CCBS Summer Institute (CUSI) at The Ohio State University. CUSI is an interactive program comprised of research talks and professional training and development workshops for promising undergraduates who may pursue research careers in academic or industry settings. The research content spans the various sub-disciplines of cognitive and brain sciences, while the training and development workshops cover topics including writing, being an effective undergraduate researcher, applying to graduate school, and promoting/sustaining diversity in the research environment.

Our goal is to complement your students' in-lab research training with career development, while connecting them to a community of like-minded, hard working and talented individuals.

CUSI will convene from 10:15 A.M. to 1:00 P.M., for eight consecutive weeks from 6/6/22 through 7/25/22. CUSI sessions will be held on Mondays, except for sessions 3 & 5 (6/21 and 7/5), which will be held on Tuesdays to accommodate federal holidays.

The purpose of this form is to verify that the applicant named above will be participating in summer research and has your support to join our program during the times provided. Please be advised, your home unit is responsible for hiring the undergraduate students who are working as a Student Research Assistants in a faculty member's research lab for the summer and/ or processing appropriate volunteer paperwork. Please respond to the questions below and sign.

Please check the respective boxes if you agree with the following statements.

- checkbox The above named student will serve as an undergraduate researcher in my lab for a minimum of 10 hours per week during the period of June through July, 2022.
checkbox I support this student's participation in CUSI activities which will occur for 8 consecutive weeks, from 10:15 A.M. to 1:00 P.M., during the period of 6/6/22 - 7/25/22.
checkbox I am currently a Member of the Center for Cognitive and Brain Sciences. (If you are not a member, please complete our quick member form at cog.osu.edu/membership/new_member)

SECTION 1: SCHOLARSHIP OVERVIEW

The Center for Cognitive and Brain Sciences is pleased to offer funding for the 2022 CCBS Undergraduate Summer Institute (CUSI). Undergraduate students applying to the CUSI program have the opportunity to request financial support during the program months, June - July 2022. This support is intended to provide students with the opportunity to seek positions in OSU research labs while in the CUSI program.

If you seek funding to work in an OSU research lab during June - July 2022, please complete this form and submit the extra items noted below with your applications materials. If you already have funding or a paid lab position during this period, please indicate so in the next section and return this form with your other application materials. CCBS awards cannot be deferred to any other session or year.

Promoting and sustaining diversity, equity, and inclusion in the Cognitive Sciences is a vital goal of CCBS. Students from underrepresented groups are strongly encouraged to apply. Students with interdisciplinary interests are also encouraged to apply.

SECTION 2: APPLICANT FUNDING INFORMATION

Please select the statement that best reflects your 2022 summer funding:

- I have funding during June-July 2022, including a paid position in a research lab.
- I do not have funding during June-July 2022, but I would not like to compete for a CUSI scholarship.
- I do not have funding during June-July 2022, and I would like to compete for a CUSI scholarship.*

*If you selected statement 3 above, please indicate how many hours/week you will be working in an OSU research lab during June-July 2022.

of hours: _____

*If you selected statement 3 above, please also include the following items with your completed application:

- Proposal of your summer research project, 1-2 pages
- Letter of support from your research advisor

SECTION 3: APPLICANT AGREEMENT

By signing below, the applicant certifies that the information provided above is correct. The applicant understands that CCBS has a limited number of scholarships and requesting aid does not equate to receiving it. All requests for aid will go through a review process to ensure the applicant is eligible to receive funding from CCBS.

Requests for aid will not impact a student's chances of being accepted into the CUSI program, if they meet the other program requirements. CCBS is not responsible for providing placement in an OSU research lab during the CUSI program. Students must meet the criteria and be admitted to the CUSI program in order to receive a scholarship.

If a student receives a CUSI Scholarship from CCBS, they are required to attend all 8 sessions of the CUSI program. CCBS awards cannot be deferred to any other session or year.
